## OUR FURNITURE

Why buy a boat if you're not going to have quality furniture on board? Your new boat needs high quality furniture made with Marine-grade vinyl that's easy to maintain and has UV damage and grime protection.

- Marine-grade vinyl
- UV and grime protection
- Roto-cast helm, furniture bases and backs
- Heavy duty 60 lb. vinyl upholstery
- Swivel-enabled and removable captain's seats

*We design, build and outfit our furniture right here in Minnesota, what's not to love about that 'eh?*

**FORESTER**

## OUR MOTORS

### HONDA

You need a dependable motor that lasts. Our Honda outboard 4-cycle state of the art motors provide lasting quality that you can rely on - backed by Honda's best in class 5 year limited warranty. In order to reduce the costs, our four-stroke motors are approximately 50% more fuel-efficient than typical two-stroke outboard motors. This will let you take longer trips and fuel up less frequently. Our 4-cycle motors are cleaner than other motors and reduce pollution by not releasing oil directly into the water.

#### ***Honda Powerthrust Series***

There's no better motor for your new Forester Pontoon boat than the **Honda BF60 or BFP60 Power Thrust**. You'll experience the best maneuverability and acceleration performance in its class.
